4.145.080 False alarm penalty.

A. Any person who maintains, uses or possesses an alarm system, and which alarm has caused any signal, message or alarm to be transmitted to the police department, either by direct telephone or other direct communication or by communication from an alarm agent or an alarm business, or by a person responding to an audible alarm and which alarm is determined to have been a false alarm by the chief of police shall pay a false alarm penalty as provided below:

1. Police False Alarms.

\$50.00 for a third false alarm within any consecutive 12-month period.

\$100.00 for a fourth false alarm within any consecutive 12-month period.

\$150.00 for a fifth false alarm within any consecutive 12-month period.

\$250.00 for the sixth and any subsequent false alarms within any consecutive 12-month period.

Additional \$25.00 increase for each subsequent false alarm within a consecutive 12-month period.

For example, \$275.00 for a seventh false alarm; \$300.00 for an eighth, etc.

B. In the event that the permittee sustains six false alarms within any consecutive 12-month period, the chief of police, in addition to imposing the false alarm penalties provided herein, may commence revocation proceedings, as provided for by SLTCC [4.145.060](#).

C. Notice of false alarm penalties shall be served, and false alarm penalties may be appealed in the manner provided in SLTCC [4.145.060](#) through [4.145.070](#).

D. False alarms occurring during the first 30 days of operations of a registered, newly installed security alarm system shall not be counted for purposes of subsection (A)(1) of this section.

E. Alarms caused by storm activity, power outages, or other factors beyond the control of the subscriber, as determined by the South Lake Tahoe police department, shall not be counted for purposes of subsection (A)(1) of this section.

F. Any person operating a nonregistered alarm system will be subject to a fine of \$250.00. The chief of police may waive this fine for a nonregistered system if the alarm user submits an application for an alarm permit within 10 days of the violation. (Ord. 953 § 1; Ord. 981 § 1. Code 1997 § 21B-42)
